

## Gorenje Front Loading Built in Washing Machine

WI63113-171555

- Unbalance control system
- Rinse hold option
- **Showering system**
- Pulse spin
- Zinc coated and painted cabinet
- Integrated servicing diagnostics
- Safety door lock
- Enzyme phase
- ECO system
- 3-compartment dispenser
- Number of programs **19**
- Marking on control panel
- **Text** Door opening diameter (mm) **330 mm**
- **Electronic** Door blockade
- **Two-lines blue LCD** Screen
- Motor overheating control
- **Heat and electronic protection**
- False program setting control
- Special version of perforated drum
- False program setting control
- Special version of perforated drum
- Easy to iron
- **FULLY INTERGRATED**
- Extra rinsing
- **SUPER SILENT +**
- **JET SYSTEM**

**A Class**

### Features

- **Variable** Spin speed options
- **UseLogic** Wash optimization
- Self adjusting water level to load
- Foam control
- Balance control
- Water protection system
- Separate temperature control options
- Cold wash option
- Pre-wash
- Quick wash **30 mins**
- Wool program
- Rinse hold / Delicates / Silk
- Water plus
- **Stainless Steel** Tub material
- Digital countdown indicator

### Basic Information

- **Left** Door hinge
- **Stainless steel** Drum
- **Galvanized and painted steel**
- Connection Rating (W) **2000 W**
- Current (A) **10 A**
- Voltage (V) **230 V**
- Frequency (Hz) **50 Hz**
- Approval certificates **CE**
- Length of electrical supply cord (cm) **200,0 cm**
- Plug type **Euro**

### Energy / Performance

- Energy efficiency class **A**
- Energy consumption (kWh) **1.14 kWh**
- Washing performance class **A**
- Spin drying performance class **B**
- Maximum spin speed (rpm) **1100 rpm**
- Capacity cotton (Kg) **6,0 Kg**
- 5 Years Guarantee on Motor
- 3 Years Guarantee on Parts and Labour
